Thai Litigation Form Thai-English Translation

May 2009

Dear Sir or Madam,

The following brochure is meant to provide accessible contents of some important Thai litigation forms.

We are aware of the fact that it can only be a first step to describe the complex forms of Thai litigation matters. However, we hope that this information can be of any use for your further decisions.

Generally speaking, Thai litigation forms are often quite similar to those you are familiar with, but, as you know, important details can be different. Thus, we advise you to proceed carefully, with far-sightedness and professional consultation.

We would be delighted if this brochure meets with your interests.
